hello, I am Alicia...

It is an honor you are here! I absolutely love, love, love photography! That is me and my family in the photo above. I have been a photography hobbyist since childhood. My husband gifted me a class in 2016 and I've been working hard ever since. It is so much fun to capture life's moments.

I want you to have an amazing experience during your event. Do not stress! The plan is to take the photographing worry off of you so you can enjoy the occasion. I cannot wait to work with you and take great photos!
