Thank you so much for choosing me for your senior portraits! Photos are soooo important to me! They capture memories. Photography freezes this little slice of time! I absolutely love true, genuine emotion in photos. We will start off the session with the normal, boring posing... then comes my favorite part of relaxing, laughing, and your senior being him/herSELF.

## hello, I am Alicia...

It is an honor you are here! I absolutely love, love, love photography! That is me and my family in the photo above. I have been a photography hobbyist since childhood. My husband gifted me a class in 2016 and I've been working hard ever since. It is so much fun to capture life's moments.

I want your senior to have an amazing experience during your session. Do not stress! The plan is to have fun and take beautiful photos along the way. I cannot wait to work with you and capture your senior's personality and story!
